Tuggle Declines Father's Offer to Pay Bond Bill if He Quits Wife

John Tuggle, twenty-one and newly married, has gone on a "love strike." In his cell at the Fulton county jail he refused to buy liberty at the cost of separation from his bride, while at the same time his father, Hill Tuggle, of Stone Mountain, has issued orders prohibiting any one from seeing his son, not even the young wife to whom Tuggle vows eternal allegiance.

Young Tuggle married Miss Pauline Burns, of Taylorville, Christmas day. The wedding was kept secret until a few weeks ago, when the young man left his father's home at Stone Mountain and joined his wife in Atlanta at the Kimball hotel, where they lived until Sunday. Then they were taken to the home of the bride's father, where they were married.

"Nothing doing," said the warden, when the father came to see his son. He refused to agree to his father's demands. His wife can't see him, either. She lives in the home of her father, who is staying in until they find him over for her. Says he'll never see his wife, but he won't give in to his father's will.

SALVATION ARMY WILL TEST LOS ANGELES LAW

Solicit Funds From Prosecutor to Bring Case Into Court

Los Angeles, Jan. 26.—In order to furnish a basis for a speedy solution of the situation here which now makes much of the Salvation Army's philanthropic machinery inoperative, Major William J. Darr, of the army, is soliciting contributions to the city prosecutor's office.

Major Darr will be arrested, it is planned, and counsel for the Salvation Army will go to San Francisco seeking his release by the state supreme court. Upon the decision of the court, counsel says, will hang the validity of the municipal charities commission's acts and existence.

Last October the Salvation Army was refused a permit to solicit funds. The commission contends that the Salvation Army went out of the city and that the state a certain percentage of the funds received, contrary to the requirements of the commission.

If Coffee Were Sold In Drug Shops

just as the coffee drug, caffeine, is sold, would you buy it?

Wouldn't it bring home to you very forcibly, the fact that coffee is not a food but a drug?

Caffeine is a cause of indigestion, heart trouble, nervousness, constipation and kindred ills. None of these are strong enough to drink coffee without immediate harm, but many others are not.

Boiled down, the reports of the officer showed that the power company's decrease in cash street car fares for 1914, compared with 1913, was 1.5 per cent.

That street car operation in 1914 was remarkable in the percentage of casualties was shown by the fact brought out in the official report that only three persons were killed during the year, out of 70,116,161 hauled, and not one of these was a passenger when killed. These three were as follows:

A negro, boarded a car, attempted to climb a conductor and was shot; a bicycle messenger rode in front of a moving car and was run over; a man tried to board a moving car between stops and was thrown to the ground and killed.

While attempting to cross Peachtree street at Baker Monday afternoon about dusk, Mrs. E. E. Huguley, of Kirkwood, was between two automobiles contacted with a rope and was dragged a considerable distance before she was rescued.

TRIAL OF WILLIAMS BEFORE JUDGE WILL

Court Overrules Demurrer in Case of Lehon Tedder and Thurman

Don S. Lehon, southern manager of the Atlanta defense agency, Arthur Thurman, an Atlanta lawyer, and C. C. Tedder, a lawyer's striker and former Atlanta Police Commissioner, were jointly arraigned before Judge Williams in the National Police building.

The indictment charging them with subornation of perjury in the Frank case, the specific allegation being that they procured from Rev. C. B. Ragland and Mr. Barber two false affidavits, in which the affiants swore they overheard Jim Conley confess to another negro that he had killed a white girl (presumably Mary Phagan) in the National Police building.

The indictment was returned by a Fulton county grand jury at the instance of the state, on January 14, 1914, and the trial of the three defendants has been postponed numerous times. Three times the solicitor has drawn and presented indictments to the grand jury each time for the previous indictments were technically defective and would not stand. As the indictment is now new indictments for this reason.

After the waiting for both sides had been called, Judge Arthur S. Powell, one of the lawyers for the defendants, drew a continuance of the case on the count of the absence of Morris Brandon, a material witness. The motion was granted, and the case was postponed to the 27th inst.

MOTION OVERHEARD.
Mr. Brandon, who made the affidavits when Luther Rogers, the attorney, came into the office, and Ragland, a constable, were present, was not present at the trial.

Judge Hill, after hearing the motion read, very promptly overruled it. Judge Powell then entered a demurrer to the indictment on technical grounds, and proceeded to argue the case. Judge Hill listened to the argument and overruled the demurrer, whereupon the trial proceeded with the selection of a jury.

Among the witnesses called by the state were Luther Rogers, Harry Rogers, the former county policeman who made the affidavits, and Mr. Barber, the former county policeman who made the affidavits, and Mr. Barber, the former county policeman who made the affidavits.

Judge Hill, after hearing the motion read, very promptly overruled it. Judge Powell then entered a demurrer to the indictment on technical grounds, and proceeded to argue the case. Judge Hill listened to the argument and overruled the demurrer, whereupon the trial proceeded with the selection of a jury.

BEAR MEAT SERVED AT KIMBALL HOUSE BUFFET
Twelve Hundred Persons Dined at Formal Opening, Proprietors Estimate

1,200 people ate bear meat at Atlanta Monday.

Sounds like it took a monstrous number of bears to supply that many folk, doesn't it? But only two bears were used. They were procured by the Fulton Market from New York state, and prepared by the chef for the formal opening Monday of the Kimball house.

The two bears weighed about 200 pounds apiece. From 8 to 10 o'clock Monday afternoon, over 1,200 people came to the buffet table to partake of the meat, many of them waiting their turn for the bear meat. The bear meat was served by Mr. Dietrich and Lorenz.

The new buffet is but one of many improvements that are being made by the new management at the Kimball house. The new management is the Kimball house.

HEAVY GERMAN GUN SMASHED BY BRITISH

Enormous Weapon Wrecked
While Being Placed in
Position on Hill

(By Associated Press.)
ST. OMER, France, Jan. 25.—(Via Paris, Jan. 25.)—The heavy artillery of the British has destroyed an enormous gun the Germans were placing on a hill about a mile beyond their first line of trenches and about two miles from Ypres, with the object of enabling the English howitzers and bombardiers to shell them.

The position of the big gun was marked by a British aviator and the fourth shell from the British guns demolished it.

The British gunners then directed their fire on a group of German anti-aircraft guns, which were firing at them. The British gunners engaged in placing a similar gun a mile further behind, scattering them with a few well-timed shells. They also smashed three pumps brought up by the Germans to empty water out of their trenches.

NEGROES MADE BUSINESS OF STEALING UMBRELLAS

One of Three Arrested by Police
Makes Confession to Recorder

According to the testimony of Julius Jackson he and two other negroes, Jess Oliver and Oscar Hill, were reading a small fortune in stolen umbrellas until the Atlanta police force made them come in out of the rain Monday.

Julius turned state's evidence before the recorder Tuesday, declaring that his "umbrella gang" had made a practice during the rains of the last few weeks of removing umbrellas from the stands in front of the downtown stores; then selling them to the highest bidder. Profits were large, perils small, he stated.

Recorder Johnson fined the three \$10 a piece, and ordered them to serve in the city eleven days in consideration of their truthfulness. Oliver and Hill got \$15 and thirty days apiece.

Central Bank & Trust Corp.
Atlanta, Ga.

Dear Sirs:
On Nov. 11, 1914, less than a year ago, I closed my account with your Bank by withdrawing \$1201.85 from your Savings Department. You were very kind and let me have this money without my book, for which I am sorry, as the man who was with me caused me to make a bad investment, rather the "Land" that he sold me proved to be a "Lake" in the State of Florida. Will you please give me the name of the party to whom I made this "draft" payable.

Signed MRS. D. H. H.

January Linen Sale Ends in 40 Hours Will You Wait & Pay the Advanced Prices? No, It's Better to Buy & Save Like This:

"Your prices are ridiculously low," said a linen importer here Saturday. "Why, you can't duplicate these linens at wholesale prices. Don't you know there is little likelihood of a flax crop this year; that prices are mounting sky-high?"

Rich's Special Irish Damask Bordered Cloths

ONE of the best medium priced linens that come out of Ireland. Grass bleached—every thread warranted real flax. Choice of ten attractive designs: Regular \$2.50 Cloth, 2x2 yards, at \$2.
Regular \$3.13 Cloth, 2x2 1/2 yards, at \$2.50.
Regular \$3.75 Cloth, 2x3 yards, at \$3.
To match, \$3 a doz. Napkins, 22-inch, \$2.59.

Gold Medal Brand Irish Damask Bordered Cloths

A DISCONTINUED pattern specially priced to close out. Circular, tulip and scroll design for round tables:

Regular \$6.00 Cloth, 2x2 yards, \$3.90.
Regular \$7.50 Cloth, 2x2 1/2 yards, \$4.90.
Regular \$9.00 Cloth, 2x3 yards, \$5.90.
Regular \$8.50 Cloth, 2 1/4 x 2 1/4 yards, \$5.90.
Regular \$11.00 Cloth, 2 1/4 x 3 yards, \$8.50.
Regular \$12.00 Cloth, 2 1/2 x 3 yards, \$8.50.
To match, \$6 a doz. 24-in. Napkins, \$5.50.

This linen importer was not finding fault, simply stating facts. Linen prices are rising—conditions abroad will doubtless force prices still higher—but until Saturday you can buy at these savings of 20 to 35 per cent.

HAPPY BALD MAN

Well-Known Physician Nearly Bald Now Has New Growth of Hair.

Tells How He Did It.

A western politician, well known on account of his baldness and ready wit, surprised his friends by appearing with a new growth of hair. Many of his old friends did not know him and others thought he had a wig. On being asked how he did it, he made the following statement: "I attribute the remarkable growth of my hair to the use of the following simple remedy: Take half-pint of water add 1 oz. of castor oil, a small box of Harbo Compound and 1 lb. of glycerine. Apply the scalp two or three times a week with the finger tips. It not only promotes hair growth, but keeps the hair from falling out. The scalp is kept healthy and the hair grows thick and glossy. These ingredients can be purchased at any drug store at very little cost and mixed at home.—(Adv.)"

To Quickly Remove Ugly Hairs From Face

(Beauty Notes.)
Beauty-destroying hairs are soon banished from the skin with the aid of a delicate paste made by mixing some water with a little plain powdered talcum. This is spread upon the face for 2 or 3 minutes, then rubbed off and the skin washed to remove the remaining talcum. This simple treatment banishes every trace of hair and leaves the skin without a blemish. Caution should be used to be certain that it is talcum you buy.—(Adv.)

Resolutions of Free Kindergarten In Memory of Mr. Samuel Inman

Whereas, In the providence of God, our friend, Mr. Samuel Martin Inman has been called to his eternal rest, the Free Kindergarten association desires to express to his dear wife and children, and to Mr. Inman the deepest sympathy for their sorrow and a sincere appreciation for the untiring cooperation Mr. Inman has shown since the work was begun in 1905 by his gifts of money and, best of all, by his kind words of encouragement.

Be it resolved, That we bring as a tribute of love to his memory the long list of tiny boys and girls whose feet were guided in the paths of righteousness in their early years through the association and who are growing up as good and useful citizens. The gifts helped to make the work a success and we love him for the good example of a well spent life which he has given to the youth of our country.

Be it resolved, That a copy of these resolutions shall be sent to the family of Mr. Inman and to the daily papers.

DON'T WASH YOUR HAIR WITH SOAP

When you wash your hair, don't use soap. Most soaps and prepared shampoos contain too much alkali, which is very injurious, as it dries the scalp and makes the hair brittle. The best thing to use is just plain undiluted coconut oil, for this is pure and entirely irascible. It's very cheap, and beats soap or anything else all to pieces. You can get this at any drug store, and a few ounces will last the whole family for months.

Simply massage the hair with water and rub it in, about a teaspoonful is all that is required. It makes an abundance of rich, creamy lather, cleanses thoroughly, and rinses out easily. The hair dries quickly and evenly, and is soft, fresh looking, bright, fluffy, wavy and—easy to handle. Besides, it loosens and takes out every particle of dust, dirt and dandruff.—(Adv.)

DON'T WASH YOUR HAIR WITH SOAP

When you wash your hair, don't use soap. Most soaps and prepared shampoos contain too much alkali, which is very injurious, as it dries the scalp and makes the hair brittle. The best thing to use is just plain undiluted coconut oil, for this is pure and entirely irascible. It's very cheap, and beats soap or anything else all to pieces. You can get this at any drug store, and a few ounces will last the whole family for months.

Simply massage the hair with water and rub it in, about a teaspoonful is all that is required. It makes an abundance of rich, creamy lather, cleanses thoroughly, and rinses out easily. The hair dries quickly and evenly, and is soft, fresh looking, bright, fluffy, wavy and—easy to handle. Besides, it loosens and takes out every particle of dust, dirt and dandruff.—(Adv.)

"Vaporize" Croup or Cold Troubles

Vapor treatments for cold troubles are better than internal medicines, as the vapors carry the medication direct to the lungs and air passages without disturbing the stomach.

When Vick's "Vap-O-Rub" Salve is applied over the throat and chest, these vapors, released by the heat of the body, are inhaled each breath. For a full description of this salve, see the advertisement in this issue.

THE PRICE SHE PAYS

There is hardly an American nowadays who can keep pace with the demands made upon her time and energy without paying the penalty of ill-health. It may be that dreadful backache, the nagging neuralgia, the nervousness or the tortures of a displacement. It is the price she pays. To women under this condition Lydia E. Pinkham's Vegetable Compound comes as a boon and a blessing. A simple remedy made from roots and herbs which gives glorious health to suffering women.—(Adv.)
